CONSENT

I, _____, have submitted certain letters and/or artwork (the "Material") to Newhouse Shelter, Inc. ("Newhouse"). I understand that Newhouse may use the Materials in a new book it may publish and for various other related purposes.

In consideration of the opportunity to participate in and be considered for potential inclusion in the book, I freely and without compensation forever give Newhouse permission and the right to publish the Material without restrictions in distribution channels selected by Newhouse, such as printed media, social media, television, radio and the internet (*e.g.*, Newhouse.org, Facebook, Instagram, and LinkedIn).

I further consent to Newhouse using the Materials in any future media and platforms that cannot be identified on the date I signed this Consent and which may be the result of, for example, changes in international or national copyright agreements or legislation or legal practice, or a technological advance.

I represent, warrant, and otherwise promise Newhouse that I wrote and/or drew the Materials, and that I did not copy or steal them from someone else.

I do not consent to Newhouse using my name, any photographs of me, or any other information aside from the Materials that may specifically identify me.

This Consent is subject to Missouri law. I declare the following is true and accurate under penalty of perjury.
